Idronord, azienda nata negli anni '80, forte della sua pluriennale esperienza nella distribuzione di minuteria idraulica rappresenta un punto di riferimento importante nel proprio segmento di mercato nazionale ed internazionale.

Il costante adeguamento della propria gamma di articoli permette all'azienda di poter offrire un pacchetto di prodotti completo per le esigenze dei clienti più qualificati.

La nuova e moderna struttura del magazzino potrà soddisfare le aspettative e le richieste della clientela in termini di celerità di consegna dei prodotti e di servizio post-vendita.

Idronord, founded in the eighties, represents a very important reference point for national and foreign market, due to the long experience achieved by the distribution of accessories and fittings in hydraulic field.

The range of articles is constantly up to dated so that we can really satisfy the requirements of the most qualified clients.

The new and modern structured warehouse could guarantee an efficient and punctual delivery service so as an after sale assistance.

CONDIZIONI GENERALI DI VENDITA E DI CONSEGNA

Validità

Le presenti condizioni di vendita, di consegna e di pagamento sono valide per tutte le vendite di prodotti di Idronord.

Accettazione, modifica e annullamento dell'ordine

L'accettazione dell'ordine, comunque acquisito, è subordinata all'approvazione di Idronord tramite l'invio della fattura proforma. Il valore minimo dell'ordine deve essere superiore a 250 euro. Gli ordini possono essere annullati solo previo accordi con Idronord e i relativi costi verranno fatturati.

Trasporto

Il trasporto è a carico del Committente; ogni spedizione eseguita da Idronord avviene per incarico e conto del Committente. Spetta quindi al Committente, nel suo interesse, fare reclamo al Vettore all'atto della ricezione, per ritardi, disguidi, rotture, furti, ammanchi che si verificassero per qualsiasi causa. Non si sostituisce né si accredita la merce manomessa, danneggiata o perduta durante il trasporto. La clausola "franco destino", se preventivamente concordata, riguarda soltanto l'onere economico del trasporto.

Consegna

La merce viaggia sempre a rischio del Committente, anche se venduta franco destino.

Termini di consegna

Il termine di consegna o di spedizione ha valore semplicemente indicativo e non impegnativo e pertanto non si assumono responsabilità nei ritardi o per la mancata consegna. L'evasione parziale dell'ordine non sposta i termini della relativa fattura.

Prezzi

I prezzi possono subire variazioni nel decorso del tempo e si intendono validi e da applicare solo quelli in vigore all'atto della consegna del materiale.

Pagamento

Si riconoscono liberatori i pagamenti effettuati a mezzo banca con bonifico diretto o contro ricevuta bancaria. I pagamenti a mezzo di assegni circolari e bancari saranno liberatori ad avvenuto buon fine degli stessi. I termini di pagamento si intendono sempre tassativi. Trascorso il termine di pagamento indicato in fattura verranno addebitati gli interessi di mora nella misura prevista dal D.L. n° 231 del 9/10/2002, in attuazione della direttiva

2000/35/CE che regola i ritardi di pagamento nelle transazioni commerciali. Idronord si riserva anche, in applicazione della generale eccezione di inadempimento di cui all'articolo 1460 c.c., il diritto di sospendere o di annullare forniture in corso di spedizione ed ogni altro eventuale ordine già accettato, qualora i pagamenti non siano effettuati nei termini convenuti. Eventuali contestazioni di qualsiasi natura non conferiscono al Committente alcun diritto di sospendere i pagamenti.

Imballaggi

Le caratteristiche dell'imballo saranno di esclusiva scelta di Idronord, che si riserva di addebitare il costo al Committente.

Responsabilità

I materiali difettosi potranno, previa autorizzazione, essere restituiti a Idronord a spese del Committente. Se dall'esame risulterà che il difetto è imputabile a Idronord sarà rimborsato l'intero importo della merce resa e l'eventuale spesa di trasporto sostenuta dal Committente per la restituzione del materiale. Per quanto non indicato esplicitamente si fa riferimento alla Direttiva Europea Garanzie 1999/44/CE.

Reclami

Ogni fornitura si intende accettata trascorsi senza reclami 8 giorni dal ricevimento della merce.

Numero di codice

I prodotti dovranno essere ordinati con numero di codice di identificazione.

Identità

Il Committente è responsabile di tutti i dati e delle informazioni di identificazione forniti a Idronord quali nominativo, ragione sociale, indirizzo, codice di identificazione fiscale e quant'altro specificatamente richiesto dalla legislazione vigente.

Fido

Idronord si riserva di apportare modifiche al fido eventualmente assegnato ogni qualvolta lo riterrà opportuno a suo insindacabile giudizio.

Foro competente

Per qualsiasi controversia tra Idronord e il Committente sarà sempre e solo competente il Foro di Bergamo.

I prezzi del presente listino si intendono IVA esclusa.
